Ann:

Hope you are well. When I accepted this meeting cancellation, it looks like it canceled all future weekly BB calls. Did you mean to do that?

FYI, next week the BB team will be in Anchorage hosting the Intergovernmental Technical team meeting so it will be hard for key folks from R10, ORD and OW to participate in the weekly call with Bob S since most will be in transit on Monday and Friday and tied up with meetings Tues-Thurs in Anchorage which is 4 hrs behind DC.

Nancy and Bob have been briefing up regarding next week's meetings, documents shared with meeting participants and planned communications actions (see attached notes from our 7/27 weekly), so I think they are good to go until the week of 8/15 - when we could brief them on the meeting outcome etc.

-Palmer
